

Remarks

The original specification of the application referred to FIGURES 8C and 8D, although such figures were not filed with the application and were not otherwise described in the specification. Such reference was an inadvertent error. The foregoing amendment removes this reference and thus addresses the substance of the Notice of Drawing Inconsistency with Specification. No new matter has been added by virtue of this amendment.

If there are any questions regarding the foregoing, a telephone call to the undersigned attorney to address same is requested.

Respectfully submitted,
